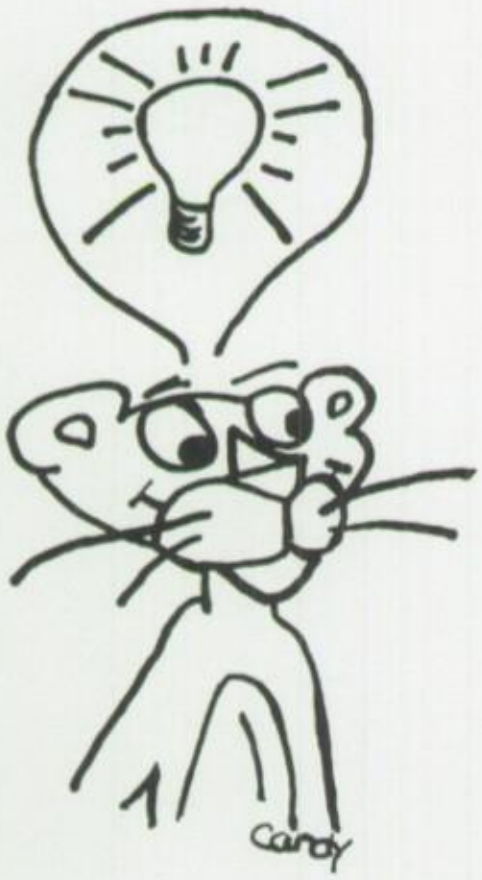
EDITORS ADDRESS

As seniors we are looking forward to our last days of school, and also realizing how busy we are. As juniors we are looking forward to receiving the senior key. As sophomores we're finally becoming an important part of our school. As freshmen we are a part of the senior high. As eighth graders we are glad we are not seventh graders anymore. As seventh graders we are the new kids in the school, learning many new things.

Our yearbook has many new changes in looks and organization. I hope as you look through this years yearbook, we have captured some of those memories.

Teresa Lutz
Editor



Mr. Norelli,
Thanks for trying to make a lady out of us. Sorry it didn't work.
Love ya,
Wendy

Miss Roof,
I told you I'd get my afgan done!
Amanda

Mrs. Austin,
Thanks for the great gym classes these past 6 years, and thanks for the opportunity to play on the soft ball team with the best coach ever!
Love and luck,
Terri Young

Ms. Petronchak,
Thanks a bunch for being a great friend
Love,
Karen Cox

DEDICATION

The teachers at Northeast Bradford High are unique and special. A teacher is expected to share his knowledge of the assigned subject with his students, and to test and see if the student is capable of progressing onto a higher level. NEB teachers go one step further. They take time to become personally involved with the students. They treat them with respect and create genuine friendships with them. Their interest is not only to educate the mind but is also to help develop the ego and personality.

Thus we dedicate this 1984 yearbook to the teachers of NEB High. We are truly grateful for their sincere effort to go one step further in education.

Mr. Krill,
To a real fruitcake of a guy. We'll never forget the times you kicked us out of class for no reason. We thought you were a great teacher & you were our favorite.
Love,
Matt + Jeff

Miss Roof,
I'm glad I had you for a teacher my Senior year. You're the best.
JoAnne Wagner

Scrap,
Thanks to the teacher who's taught me the most in my years at school. You've been a great friend and I appreciate it. By the way, I forgive you about the picket! (Finally!)
Love,
Lisa

Mr. Bill Davis:
To the greatest teacher I've ever had. You taught me more about life than anyone I know.
Anita Weissfach

Mr. Faust, Mr. Schrupple, Mr. Norelli
Thanks for helping to make my year at NEB a happy and successful one. I'll miss you all after graduation.
Love always

ADMINISTRATION

Mr. Frederick Dinse

Mr. Frederick Dinse
Superintendent

Dear Graduates,

The Class of 1984 is unique because it was the first kindergarten class in this district. So, this graduating class is the first one to complete thirteen full years of education at Northeast Bradford.

My wishes for you are expressed in the following verses:

"Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as ever you can."
John Wesley

May you have joy and success in the future.

Frederick O. Dinse, Jr.
Superintendent

Mr. Ray Fleming
Principal

The members of the Class of 1984 were seventh graders when I arrived at Northeast in April, 1979. It hardly seems possible that six years have passed since then. The motto adopted by the class, "To achieve all that is possible, we must attempt the impossible—to be as much as we can be, we must dream of being more", indicates a quiet determination that has been evident with this class. They have achieved and have become a class with pride.

Hopefully, the determination shown here at school will continue to be an attribute of each member of the Class of 1984.

I pray God will be with them and give them the strength to follow their goals, to try to be better in every thing they do.

BOARD OF EDUCATION

Row 1: F. Robinson, E. Retter, E. Chaffee, C. Eastman. Row 2: D. Boardman, R. Russell, C. Canfield, J. Upham, O. Chaffee, A. Moore.

Routine space travel in a reusable shuttle, computers in our cars and homes, a world changing daily, and at an ever increasing pace—these are exciting times!

Your education, built on the solid foundation you obtained at Northeast, is your passport to face the future and compete on equal terms. May your thirst for knowledge continue to provide you with challenges and further prepare you for tomorrow.

On behalf of the Board of Education I congratulate you for your accomplishments. Best wishes in your careers and may God bless each of you.

Sincerely,
Eugene Retter, President
Board of Education

SALLY IN ACTION

My name is Sally Anne Mitford Robertson. I am a Rotary Exchange student from South Africa. I live in a city called Vanderbijlpark. It has an average population of sixty thousand people. The main activity is industry. The largest industry is the steel corporation which is the largest in Africa. It is called ISCOR (which stands for Iron & Steel Corporation). My father works at this company. He is a chartered accountant. My mother works for the medical aid of this company as a social worker. I have two sisters and a brother, all older than myself.

As far as climate goes, Vanderbijlpark has a summer rainfall. Most of the precipitation falls in the form of thunderstorms. This is the coldest area in the whole of South Africa and reaches temperatures of approximately 30° F. It experiences frost during the early morning and reaches a very hot 75°F. during the day. This type of climate allows for sports such as tennis, swimming, soccer, and field hockey all year round.

Sally and her friends in Science class.

My hobbies are painting, crafts, reading, and photography. After school I enjoy sports such as social and competitive squash (racquetball), tennis, anf field hockey.

School in South Africa is run much differently than at Northeast. The highest authority in the school is the headmaster (principal). Next in line is a teachers committee, which advises the rest of the teachers. The teachers committee is made up of the teachers with four or more years of studying behind them.

All the teachers choose a few people from every twelfth grade class (according to their academic or sports achievement) to form a body. These students are called the Prefect Body. One boy and one girl head this group-they are called Head Boy and Head Girl. Sally was Head Girl.

Sally Anne Mitford Robertson

Sally and Gerry
Head Girl and Head Boy

Sally and her room in South Africa.

Under Head Boy and Head Girl are two deputy head boys and two deputy head girls. The Prefects are there to enforce school rules and to help students to grow morally. The head boy and head girl are given great respect.

In South Africa, school starts at 7:50 A.M. On Monday and Wednesday for the junior high students, school begins with Junior Assembly. On Tuesday and Thursday school begins with Senior Assembly for the senior high students. Both assemblies are held in the hall (auditorium) where the headmaster begins by reciting the Creed of the Christian Faith. The students then sing the Lord's Prayer, followed by announcements and reports. The assembly continues with the reading of a verse from the Bible by a Prefect and ends with a prayer. Inspection of the students by the Prefects follows. Inspection includes hair, nails, jewelry, make-up, uniforms, etc. School then continues.

The school day consists of eleven half-hour periods a day. Every day the students' schedules are different but are the same week after week. There is no cafeteria in the school; the students eat outside on the grass in the sun, or if it rains, in the classroom. School ends at 2:00 P.M. Sports are held after school and consist of field hockey, soccer, tennis, squash, rugby (like football), swimming, field and track, netball (like basketball), canoeing, cross country and bisley (life riflery).

In South Africa, instead of getting a diploma when a student graduates, he gets a testimonial which states only that he has passed grade twelve. Once he has passed grade twelve, he has a choice of going to college, where he gets a diploma, or to a university where he gets a degree. A degree is preferable. Before coming to America, Sally completed high school and on her return she plans to attend the University to study for a Bachelor of Science degree.

SENIOR TRIP

At 12:30, May 22nd, forty-nine seniors with Ms. Walters and Mr. Schrepple left for the senior trip to Virginia. After an all-night, nearly sleepless ride, we arrived in Williamsburg at approximately 8:30 A.M. We breakfasted at the motel, changed and headed for the beach. It was a great day with hot sun and sand but cold water. Many enjoyed shopping for souvenirs.

Thursday we spent a great day at Busch Gardens. The weather was perfect and everyone enjoyed the culture and rides in the "Old Country".

Friday required more bus riding to a tour of the Naval Air Station and NASA at Langley Air Force Base.

We then returned to dress for the Hampton Harbor dinner cruise aboard the "Spirit of '76". The weather, sunset, disk-jockey and the crowd for the Norfolk Harbor Fest made this a memorable highlight.

We departed Saturday morning for Washington, D.C. Following a most interesting bus tour of the city, we made a touching stop at the new Vietnam Memorial to find a classmate's fathers name.

After our final McDonald's lunch, we were happy to climb aboard and head for home.

We arrived at school about 8:40 P.M., tired, happy, and full of unforgettable experiences.

JUST YOU AND I

The 1984 Junior-Senior Prom was held on May 12 in the Northeast gym. From 7:30 until 11:30 entertainment was provided by Sweet River.

Crowned as Queen and King were Caroline Roediger and Willard Clapp. The rest of the court was as follows: Missy Daum escorted by Pat Russell, Amanda Beckwith escorted by Trevor Briggs, Hope Souto escorted by Rick Upham, Lisa Walker escorted by Bill Clark, and Lisa Brown escorted by Dave McCracken.

The Junior Court was Bette Morris escorted by Stacey Robinson, Mary Forys escorted by John Fedorchak, Jodea Wheaton escorted by Keith Chilson, and Tammy Fox escorted by Bill Abrams.

The girls team had more wins this year than any girls team in any sport in NEB history ending up with an outstanding 15-4 record. The team finished sixth in districts. Dawn Rosencrance finished eighteenth in districts and was also picked as a first team all-star for the NTL league. Wendy Hale finished twenty-ninth in districts. The girls did a fabulous job.

The boys team had a good year with thirteen wins and seven losses. They finished eleventh in districts. Jim Tanzini was the first boy at districts for our school.

The 1983 Girls Basketball Season was another rebuilding season with vast improvement over the previous season. We returned five letter winners-Amy Brown, Sue Shadduck, Candy Karpauitz, Sheila Johnson, and the only senior, Wendy Pelton. All aspects of the team improved such as rebounding, shooting, reducing the number of turnovers and speed. The lack of height was an enormous factor. Many teams we played were taller and had more experienced players on the floor. At times our team consisted of four sophomores and one junior.

Some highlights of the season were a two-point victory over Sullivan County who was in contention at that time for first place, and the victory over SRU a physical team at East Smithfield. The team averaged over thirty points per game, an increase of five points per game over the previous year.

The Northeast Panthers captured their fourth N.T.L. crown in the last five years. The Panthers won the first half and Athens won the second half. In a playoff for the league championship, Northeast defeated Athens by the score of 80-39.

This year's team was composed of eight seniors, one junior, one sophmore, and two freshmen. Billy Clark led the team in scoring and rebounding as he averaged 20.7 points per game and 13.7 rebounds. Billy also finished his career with 1277 points, placing him second on the all-time Northeast Bradford scoring list. Billy Abrams was second in both scoring and rebounds, averaging 11.7 points per game and 6.5 rebounds. Bo phillips led the team in assists averaging 4.4 per game. Rick Upham and Dave McCracken were the other two starters and contributed greatly with their defense and outstanding team play. The reserves also played a key role in many of our wins throughout the year. Billy Clark and Rick Upham represented our team on the winning NTL East All-stars.

Much credit must be given to all the players, coaches, and fans, who helped to make this a very rewarding year.

Even though Athens was lacking one of their key players, our boys put forth such a perfect performance, Athens wouldn't have been able to stop the fast paced Panthers. Congratulations to all the boys and to Mr. Davis for a job well done!

The Wrestling team underwent a rebuilding campaign in the 83-84 season, after enjoying small school division championships the previous two seasons. The team would have been in contention for small school honors once again, however, the N.T.L. realigned into East and West Divisions with Northeast in the Eastern Division with all the perennial powerhouses.

The season record was 9 wins-9 losses (not bad considering a dismal 1-6 start). In a tri-meet to end the season, Northeast was victorious over two opponents who had previously defeated them. As the team gained the necessary varsity experience they gelled and showed more maturity late in the season.

A total of 17 wrestlers received their Varsity letters, seven seniors, five juniors, 3 sophomores, and two freshmen. The ten returning lettermen will provide a solid core for next season's team.

Two records were set by individuals on this years team. Most reversals (23) by Jim Souto. The previous record was 21. Most matches wrestled in a career (132) by Brian Jones. The previous record was 120.

The season came to a close with two wrestlers advancing to District competition. Both Brian Jones and Joel Edsell placed second at Sectionals. Brian advanced to Regionals with a third place finish at Districts and coming up on the short end of a 2-1 score in his final match at Regionals missed out on an opportunity to compete in the state finals. It's only fair to mention that Brian's performance was hampered by a severe broken nose that occurred in practice three days before sectionals.

Overall the season turned out better than first indicated. Dedication and hard work were the key words which contributed to the degree of success the team enjoyed. It is with anxious anticipation that the ten returning lettermen and coaches look forward to next season.

The Baseball Team led into the season with an optimistic attitude. With six seniors and some very talented underclassmen, a good season was more than just a possibility. Pre-season practice was hampered due to the inclimate weather and the team was confined to practice in the gym. The season started with a heartbreaking 1-0 loss to Canton, but the team came on in the end of the season to spoil both Wyalusing's and Waverly's hopes of an NTL crown and finished with a 7-11 record.

The team was led by seniors Bo Phillips and Dave McCracken, who were number one and two respectively in hitting and stolen bases. Phillips also led the team in on-base average, runs scored, and walks. Senior Dave Barton and freshman Mike VanKuren supplied solid pitching throughout the season. Barton led in the strike-out department while VanKuren led in the earned run average. Rounding out the seniors on the squad were outfielders Ed Beckwith and Willard Clapp and catcher Chuck LaBarre.

Next years top returnee will be Dennis Fricker, who led the team in "At Bats" and played solid at third base.

This years softball team had a very successful year. Mrs. Austin's Panthers compiled a 14-4 record finishing second in the league to undefeated Wyalusing. They won three games in the District playoffs before bowing out to Southern Columbia in their final game of the year. The best game the team played this year was against Middleburg in the Districts. Without the services of their seniors, the team took a 7-5 victory. .

The team was led in the hitting department by freshman Deb Chrispell followed by sophmores Sheila Johnson and Candy Karpauitz and junior Tammy Fox, all batting above .400. Stacey Chamberlain led the team in doubles and RBI's, while Penny Moore led in triples and Sheila Johnson led in stolen bases.

Sue Shadduck led in pitching with a 9-2 record. Michelle Pitcher also turned in some solid pitching performances. MVP was junior Penny Moore.

The editor, Teresa Lutz, business manager, Tammy Schrader, art editor, Candy Edsell, and Wendy Schrader attended Josten's Yearbook Seminar at Juniata College in August, 1983. During their four day stay, they attended many workshops and presentations that were useful in putting together this year's yearbook. All-in-all everyone enjoyed the trip.

This year our magazine sales reached $11,404.84. The members of the yearbook staff would like to commend Paul Jones for selling $659.53 worth of magazines. Those receiving complimentary yearbooks for selling over $200.00 are Doug Eastabrook, Paul Jones, Tim Brink, Jon Fleming, Tim Allis, Brian Rinker, Shawn Sitler, and Chris Hayes.

On February 2, 1984, six of our yearbook staff, Jodea Wheaton, Tracy Thomas, Tammy Schrader, Terri Pelton, Cindy Myers, Kris Green, and our advisor Mrs. Priestner, took a tour of the Josten's Yearbook plant at State College. On the tour, we were shown how our yearbook is put together. It also made us realize just how much special attention Josten's gives to our yearbook. We would also like to thank Larry McCullen for taking us to lunch at the Deli.

The Student Council sponsored many events in 1983-84. In addition to the regular dress-up days, an on going competition was instituted to see which class had the most spirit and participation over the entire year. Tammy Fox presented the first Spirit Award to Larry Alderson, President of the Class of '87. Five assemblies were sponsored; Freedom Jam, Campfel Productions, Re-Creation, Challenge of the Sexes and Meet our Exchange Student, Sally Robertson from the Republic of South Africa.

Operating the school store, maintaining the soda machine, the front bulletin board, and selling lunch snacks are council projects. Annually the Council offers a Christmas Ball and Maroon and Gray Day. Student leadership is fostered thru Leadership Day when students have the chance to realize the responsibilities of teachers.

One of the Councils more important functions is looking out for the welfare of the student body. This year two tragic fires claimed the homes of the Johnson and Uhouse families. Relief efforts coordinated by the Council gathered many donations of money, clothing and household items, enabling the students affected to return quickly to school and sooner to their daily routine. Nine area families received food baskets at Christmas and the school assumed the season's spirit because of the hall decorating contest. A tree was planted in the courtyard in memory of Tammy and Tommy Vandervorts fathers who died suddenly this past year.

Student Council members serve on Youth Forum, a project of the Department of Education, and attend conferences to obtain new ideas. This year Hope Souto, Lisa Brown and Jim Tanzini attended the State Conference sponsored by Mifflin County School District and stayed at the home of Mr. Flemings parents. Ten students attended the district conference at Milton High School where our advisor, Mr. Crawford, was selected as District Director.

Students and Athletes of the Month are selected at monthly meetings and honored with medals at a special banquet in their honor held June 5th at the North Orwell Hall. At this banquet new inductees to the "Hall of Fame" are also introduced. Three individuals were presented with plaques symbolic of Northeast's highest honor. One was given to Patrick McNamara '77, NEB's first physician. Brenda Moore '78 was inducted for her courageous personal strength following an accident which paralyzed her. She has won National Wheelchair racing events and hopes to attend the Olympic trials in June. Our first graduate of Annapolis, the Naval Academy, was Jon Hauser '79. Jon achieved many leadership awards as a midshipman.

Danger! Girls Working! takes place in Mrs. McCarthy's boarding house for girls, located in New York City. Mrs. McCarthy's house assembles a wide variety of working girls, everything from a waitress to an actress, however, the jobs are not to be the center of attention. A handful of uncut diamonds, fondly known as the "McCarthy Collection", take center stage for most of the evening.

Everything runs quite smoothly until . . . "The McCarthy Collection" is missing!! It must have been an inside job, but which one of the girls took the diamonds? That question is answered in a very amateurish, yet hilarious, way thanks to one of the girls and a very mysterious woman.

To My Class Of '84,

We've Travelled A Long, Long Time Together
And There Have Been Many Good Things Along The Way.

Now It's Time For Leaving, And The Things
I Feel Inside Are Very Hard To Say.

But It's Time For Moving On My Friends,
As We Search For New Tomorrows.

Go As You Must
But Never Forget Our Yesterdays.

Remember The Dreams We Dreamed Together
And The Joys We Shared In Getting To Today.

Just One More Time Before You Leave,
Take My Hand, And Help Me Walk Away.

I'm With You In Spirit Always.
All My Love To The Class Of '84,

Lisa
